

PE Grant and Sports Funding 2015/16

The Government is once again providing the primary school sports funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Our school will receive £9,790 in 2015/16. The information below sets out how we are planning to use our PE Grant funding in the academic year 2015/2016:

Target area	Action and cost details	Expected impact	Expenditure
Improve teacher's subject knowledge	<p>Staff professional development through direct mentoring support from a sports specialist company.</p> <p>Whole staff training on P.E. subject knowledge and delivery undertaken as part of the staff body's continuing professional development.</p>	<p>Improved learning for children and improved teacher confidence and knowledge.</p> <p>Teaching staff will have the increased knowledge and confidence to deliver high quality P.E. lessons beyond the period of funding</p> <p>Individual confidence levels of teachers will be assessed through teacher self-assessments.</p>	Professional development = £2,000
