## Poppies, Pudsey, PFOS, Parking and Peace...

### Year 5 Remembrance Service

This morning Year 5 led their families in a Remembrance service at Holy Trinity Church.

On Wednesday morning Year 5 led the whole school in a remembrance service.

They reminded us of the symbolism and history of the Poppy. Each class had a slightly different focus; world War 1, their own reflections on War; how we should be peacemakers—addressing issues and resolving them. It was a very powerful message. Sincere thanks to Year 5—and well done!

### PUDSEY—17th November—Children in Need Day.

This is a highlight of the year. *Holy Trinity C of E Junior School* will be taking part in spotty-themed fundraising activities, such as dressing up in spots (on Friday 17 November - £1 to participate) and we will be holding a fun filled afternoon in school where there will be lots of activities organised by each class.

Last year we raised £1173.95

You can help us make this a memorable event that raises as much money as possible, by supporting the fundraising activities in our school. We are aiming to raise even more this year to support disadvantaged young people across the UK and have set up a dedicated online donation page for our school via BT My Donate. Here's the link:

<https://mydonate.bt.com/fundraisers/holytrinitycofejuniorschool1>

We will be charging you all £1 to dress up spotty - spotty animals, spotty dresses, spotty onesies, spotty faces, spotty nails – absolutely anything goes!

If you can't find something spotty, just wear Pudsey spotty ears or a T shirt.

**Each class will be holding their own special event on the afternoon of 17<sup>th</sup> November, and all the classes are able to go round the school and visit each other's events.** So, if you can, bring extra money to take part in all the activities—buying cakes, going to a disco, having your nails done, etc.

### Peaceful Night's Sleep?

The school nursing team have written to inform us of some useful workshops that they are offering this academic year.

This school nursing initiative has been developed to help you support your child's health and wellbeing. They will deliver some ses-

sions on the most common issues that parents have identified in the health questionnaires completed on children starting school. These sessions will be open to all parents of primary school age children.

The topics we will be focusing on during this school year include:

Sleep – how to achieve a good sleep routine

Healthy lifestyles – how to support your child understand the importance of making healthy lifestyle choices with regard to food and activity

Emotional well-being – how to support your child to make positive friendships and relationships

The first session will be on Sleep

Date: Friday 1st December  
 Venue: Holy Trinity Junior School  
 Time: 9.15am

### Thinking Board

#### Reflective question:

If I take a photo of a photo of you, do I have a photo of you or just a photo of a photo of you?

It's not a photo of you, it's a photo of another photo, which has you in it. -Alex, Holly year 6

What makes you valuable?

Being you. - Brooke, Spruce year 4

What is the hardest thing about being a child?

Growing up. -Fern, Spruce year 4

Mystery Picture- Nobody guessed it.

#### Next weeks questions

What are you afraid of?

If I swap your pen for one exactly the same without telling you, is that stealing?

## Other news...

The talk will last for about 45 minutes. If you are unable to access childcare, you are welcome to bring younger children with you. We would also welcome your suggestions for future sessions.

### Parents' meetings—thank you to all those who attended this week.

Elm class assembly Today Elm class welcomed their parents to an assembly all about the things they learnt last half term. They spoke very clearly about the key skills in English, Maths, Games, RE and DT and showed the whole school some of their achievements. It was good to see how much hard work Year 4 do and how they have persevered to be the very best they can be. Well done Elm!

Anti-bullying week is next week 13th November 2017. The children will have special events, workshops and an assembly by the NSPCC on 14th November. In class, children have learnt about the PANTS rule. Do ask them!

### Stannet Way

In Stannet Way there is a young boy who has cerebral palsy. In the morning between 8.30a.m. and 8.45a.m. his transport arrives. At the end of the day his transport brings him home between 3.20pm and 3.40pm. Congestion has sometimes been so bad that there is a possibility that his transport may be stopped. This would be very unfair for this to be an outcome for this family. Please don't cause this congestion and park elsewhere.

Parking bays in Stannet Way are paid for by the residents. They are not available for our parents to park in freely. Please respect other people's rights and what they have paid for.

Sutton Central library will be closed for 3 months from Monday 13th November, due to being refurbished. All other libraries will be open as usual. Wallington and Cheam libraries will also be open on a Monday during the closure of Sutton library.

After three warning letters, reminding of the system, a fine of £5 will be charged to parents on ParentPay. This will offset staff supervision costs.

Illness: Please remember that if children are ill with sickness or diarrhoea they must not return to school until 48 hours after ceasing to have these symptoms. We are also reminding children about the importance of hand washing. Thank you for your co-operation.
