Meeting a Prince, Egyptians and Celebrations

Which Famous character is from Darkest Peru and keeps a marmalade sandwich under his hat?

Which Prince has two young children who also like this character?

On the 16th of October Elliot and Josei Kobayashi were invited to join **Prince William**, who is a big fan of **Paddington**, to watch the new film with him. Elliot writes:

On Monday 16th October we had the most memorable, fantastic, once in a lifetime experience. We went to see Prince William on the British Pullman train which is featured in the new Paddington movie. We also met the actors and actresses in the new movie and got their signatures. We got to have afternoon tea and chat with the celebrities. We were very lucky to be picked along with 3 other families from the Royal Marsden. By Elliot & Josei Kobayashi

Back to Ancient Egypt

On Wednesday 18th October, Cleopatra, a few mummies and a few more pharaohs

came to Holy Trinity! Year 3 experienced what life was like about 3,000 years ago, all the way back to Ancient Egypt.

They tried some Egyptian foods, such as pomegranate, lettuce, flat bread, beans, raisins, melon... They made Egyptian collars. For Sonny and Cormac, their favourite things were being able to write in hieroglyphics. Jean enjoyed experiencing life 3,000 years ago, as many of the children interacted in a theatre production of what life was like at the time of the Bible character Moses. They loved all the fun!

Year 3 RE day

On Monday 30th October Year 3 had another exciting day, when in a variety of engaging ways they learnt what the overview of the Bible is.

Their day included art activities, code breakers, singing and acting.

Individual Education Plans (IEPs) to Individual Provision Plans (IPPs)

New Individual Provision Plan

For children who are on the SEN register we are replacing Individual Education Plans with Individual Provision Plans. These are an improvement and more effective as you will be able to see the provision for your child and the progress they make within that provision over the year. It is a working document and all staff working with your child contributes to it. As with the IEP it will set targets for your child, monitor progress, review the strategies in place and suggest next steps. You will receive one three times in the year. If you have any questions please contact your class teacher.

Jeans for Genes.

Well done to everyone who took part in Jeans for Genes day. This raised **£286.80**.

PFOS cake sale

Thank you to all those who brought cakes for the sale on the 19th October. This is always a popular event and once again it sold out very quickly, raising **£407.87!**

All through history

Thank you, o thank you,

Cause all through history you were faithful, And you are just the same when it comes to me.

This was the chorus of the song that the choir sang at HT church on Sunday 15th October. Everyone really appreciated their participation and most stayed to enjoy the variety of celebration activities after the service. Alice enjoyed going with her friends and the bouncy castle along with all the competitions; Aldrick enjoyed the Treasure hunt and the hot dog! The children enjoyed singing to a large audience and would like to do it again! Thank you to Mrs Smith for organising the children.

Report from a governor

At the September information afternoons we explained the governors' role in school. One of the strategic roles that they have is to come in to school to see the work we are all doing and what the impact is.

Here is a report from Mrs Durbin, who looks at Science

Next Week's questions:

What makes us valuable?

If I take a photo of a photo of you, do I have a photo of you or just a photo of a photo of you?

What the hardest thing about being a child? Mystery pic was ear wax which no-one guessed.

Other news...

I visited Holy Trinity School recently in my capacity as Link Governor for Science and met with Miss Caluya, the new Science lead since Mr Barnard left in July. Holy Trinity was awarded the Primary Silver Quality Mark for the second time this summer in recognition of the excellent standard of teaching and learning in Science. Looking at children's books across the year groups I was able to see how children progress in their knowledge and ability to think scientifically as they investigate different topics each term and learn to plan, observe, record, review and assess their own learning against specific criteria. Miss Caluya is keen to strengthen cross curricular links between science and other subjects like Maths, English and Art. Year 6 demonstrated this in many of their excellent projects on animals this term. I will report back to the whole governing body in December. Julia Durbin (There will be another report next week about another area).

Parents' meetings

We look forward to seeing parents next week for the individual meetings between parents and children. Year 3 and 4 meetings are on Monday 6th November from 1.30—6.55pm and Wednesday 8th November from 3.30pm—5.45pm. Year 5 and 6 will be Tuesday 7th November from 1.30-6.55pm and then Wednesday afternoon from 3.30pm—5.45pm.

Events coming up...

Anti-bullying week is week beginning 13th November 2017. The children will have special events, workshops and an assembly by the NSPCC on 14th November. In class, children will be learning about the PANTS rule. We have emailed parents additional information so you can discuss this at home. The NSPCC website has a wealth of information should you wish to learn more.

17th November—Children in Need Day.

This is a highlight of the year. *Holy Trinity C of E Junior School* will be taking part in spotty-themed fundraising activities, such as dressing up in spots (on Friday 17 November - £1 to participate) plus we will be holding a fun filled afternoon in school where there will be lots of activities organised by each class. You can help us make this a memorable event that raises as much money as possible, by supporting the fundraising activities in our school. We are aiming to raise even more this year to support disadvantaged young people across the UK and have set up a dedicated online donation page for our school via BT My Donate. Sports news

Swimming Success—Congratulations to Ella Kentfield, who competed in swimming races in half term. 'On the 29th October I took part in a swimming gala for my swimming club. I was very nervous because I have never been in a swimming gala before. My first race was back stroke and then breast stroke and finally front crawl. I did very well and came first in all my races. I am looking forward to getting my gold medals on Sunday at swimming.' By Ella Kentfield Y6

Remembrance

Year 5 will lead a Remembrance service on Friday the 10th November in Holy Trinity church at 10a.m. (This will involve only Year 5 and their families)

Inset days for 17-18

Wednesday 3rd January 2018

Friday 25th May 2018

Monday 23rd July 2018

Class assemblies this term

Elm 10th November

Holly 24th November

Oak 1st December

Pine 15th December

Class assemblies are from 10.50a.m.—11.10a.m. and parents are welcome.

Year 3 will lead the Christmas service in Holy Trinity church on Monday the 18th of December at 2p.m.

Please note that our last day of term is Wednesday, 20th December at 1pm

In Church - You are welcome to attend the services in Holy Trinity, St Patrick's or Springfield church on a Sunday morning—all of which start at 10.30a.m. and St Patrick's also have a family service at 4pm

Reminders

Lateness in the morning and at pick-up Every minute of the day is carefully planned to maximise learning opportunities. Please make sure that children arrive at school on time. There are children who are also persistently late being picked up. Parents will now be sent a warning letter if their child is collected after 3.45pm. After three warning letters, reminding of the system, a fine of £5 will be charged to parents on ParentPay. This will offset staff supervision costs.

LOST PROPERTY Please name all of your children's belongings and come in and look for items your child has lost before or after school—located in the corridor outside Elm class

Illness: Please remember that if children are ill with sickness or diarrhoea they must not return to school until 48 hours after ceasing to have these symptoms. We are also reminding children about the importance of hand washing. Thank you for your co-operation.

IMPORTANT: medicines must not be sent into school with children under any circumstances. If your child needs to take medicine during the day, please bring it to the office with a completed medicine form. This form can be downloaded from our website or obtained from the office.

NUTS—please note that nuts should not be sent in to school under any circumstances since we have children who are very sensitive to them and can have severe allergic reactions. **Healthy snacks**—please can children bring only fruit for snacks at play time. Thank you.

Newsletters

The newsletter comes out every Friday and will go on the school website for you to look at. All copies of letters also go on the website.

Tissues and glue Please can all children bring their own named glue stick to school and a box of tissues. Many thanks for your help. It would be a big help to the stock and budget, benefitting everyone. Thank you.

Swimming—Oak class are still in need of helpers to walk to Westcroft on Tuesdays at 2pm. Please let the office know if you can help. Thank you
