

PE Grant and Sports Funding 2016/17

The Government is once again providing the primary school sports funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Our school will receive **£9,795 in 2016/17**. The information below sets out how we are planning to use our PE Grant funding in the academic year 2016/2017:
