Dear Parents and Carers,

Our free online safety workshop for parents and carers

We would like to invite all parents, carers or family members to a free **online safety workshop** here at Holy Trinity CE Junior School at 2.00pm on Thursday 1st February.

The content covered in the workshops is aimed at adults. Parents with young children are advised to arrange childcare if possible.

The hour-long workshop will help parents, carers and other adults understand their child's online world, build confidence to have those important conversations that can help keep children safe online and help you know where to go for help and advice.

"After coming to this workshop today, I realise the importance of having conversations with my child rather than avoid the subject. I didn't know there were things I could do to make it better, I'm so glad I came to this workshop. I will definitely be calling the helpline or going into store to get some help, thank you." – Parent who attended the workshop

Don't miss out on this great opportunity. RSVP by clicking <https://www.surveymonkey.co.uk/r/R52XBS6> for our survey monkey, or by emailing the office. If we do not have enough parental interest we will not run this event.

Until then, if you need any support or guidance about keeping children safe online, here are a few things you could do:

- Visit our [NSPCC](#) and [O2 NSPCC website pages](#).
- Call our free **O2 NSPCC Online Safety Helpline** on **0808 800 5002**
- Download our Net Aware app on the App Store or Google Play
