Dear Parents/Carers

As you are aware, here at Holy Trinity we place a great deal of importance on the lunchtime provision that we offer children across the school to make their learning experiences as positive as possible. In light of this, we wanted to make you aware that this term, our newly trained and carefully selected Year 6 Sports Leaders, will be delivering daily sports sessions during lunchtimes to our Year 3 cohort.

This will be a fantastic opportunity for children in Year 3 to develop their skills in playing well together, develop more awareness of rules and begin to play a number of different games/sports in a structured and safe manner. The impact of this should see more Year 3 children playing well together and also more of our children being active and engaged in lunchtime activities.

From this experience we hope this will give our Year 3 children insight into sports leadership and hope it will be something they may wish to pursue as they move further up the school.

Yours sincerely,

Mr L Still
