Dear Parents and Carers,

RE: After School Provision from September 2019

We are writing to inform you about the exciting prospect of a new after school provision for September 2019 here at Holy Trinity Junior School. Kick London are an established company of over 15 years' experience and currently engage over 10,000 children nationally in over 70 schools. Their focus is to 'Transform Lives with Strong Values' Please visit their website to read more about their ethos and values- <https://kicklondon.org.uk/>

As part of this provision, Kick London will be providing 2 fantastically experienced coaches whom are trained in the following:-Football, Rugby, Hockey, Athletics, Gymnastics, Basketball, Netball, Tennis, Cricket, Paralympics, Korfbal, American Football, Handball, Swimming, Boxing, Table Tennis and a range of dance disciplines! (As you can see quite an extensive list!) Through this potential agreement, Kick London will provide breaktime activities for the children, support with mentoring children across the school and of course will provide extensive and varied lunchtime clubs.

The after school provision will run from 3.25pm-6pm, costing £11.75 a session and will include a snack and a range of activities for the children to engage with and participate in. We are also hoping that one afternoon a week the Kick Coach will run a specific after school sports club for those who wish to be a part of it.

We are writing to you as we would like to know whether you would be interested in putting your child in this exciting new after school initiative. Currently we are keen to know whether this is something of interest to yourselves and would like you to let us know so we can collate a list of names in preparation for September 2019.

We are seeking to change our provider from Fit for Sport to Kick London if there is enough interest so **please respond to this letter by email or text by Friday 29th March 2019** as we value your feedback.

Many thanks,

Mr L. Still
