The Rose

Some say love, it is a river, that drowns the tender reed
 Some say love, it is a razor, that leaves your soul to bleed
 Some say love, it is a hunger, an endless aching need
 I say love, it is a flower, and us, its only seed

Its the heart afraid of breaking, that never learns to dance
 Its the dream afraid of waking, that never takes the chance
 Its the one who won't be taking, who cannot seem to give
 And the soul afraid of dying, that never learns to live

When the night has been too lonely and the road has been too long
 And you think that love is only for the lucky and the strong
 Just remember in the winter, far beneath the bitter snows
 Lies the seed, that with the sun's love in the spring becomes the rose
 Yes that seed, that with the sun's love in the spring becomes the rose

I need a hero

Dooh ooh ooh ooh, Dooh ooh ooh ooh
Dooh ooh ooh ooh, Ahh Ahh!

- 1) Where have all the good ones gone and where are all the gods?
Where's the streetwise Hercules to fight the rising odds?
Isn't there a white knight upon a fiery steed?
Late at night I toss and I turn and I dream of what I need

*I need a hero
I'm holding out for a hero 'til the end of the night
He's gotta be strong, and he's gotta be fast
And he's gotta be fresh from the fight
I need a hero
I'm holding out for a hero 'til the morning light
He's gotta be sure, and it's gotta be soon
And he's gotta be larger than life, larger than life*

Dooh ooh ooh ooh, Dooh ooh ooh ooh
Dooh ooh ooh ooh, Ahh Ahh!

- 2) Somewhere after midnight in my wildest fantasy
Somewhere just beyond my reach there's someone reaching back for me
Racing on the thunder and rising with the heat
It's gonna take a superman to sweep me off my feet

*I need a hero
I'm holding out for a hero 'til the end of the night
She's gotta be strong, and she's gotta be fast
And she's gotta be fresh from the fight
I need a hero
I'm holding out for a hero 'til the morning light
She's gotta be sure and it's gotta be soon
And she's gotta be larger than life
I need a hero
I'm holding out for a hero 'til the end of the night*

Bridge

Up where the mountains meet the heavens above
Out where the lightning splits the sea
I could swear there is someone, somewhere watching me
Through the wind, and the chill, and the rain
And the storm, and the flood
I can feel their approach like a fire in my blood

Like a fire in my blood, like a fire in my blood, like a fire in my blood
like a fire in my - blood, aahhh

*I need a hero
I'm holding out for a hero 'til the end of the night
He's gotta be strong and he's gotta be fast
And he's gotta be fresh from the fight
I need a hero
I'm holding out for a hero 'til the morning light
He's gotta be sure and it's gotta be soon
And he's gotta be larger than life*

*I need a hero
I'm holding out for a hero 'til the end of the night
She's gotta be strong and he's gotta be fast
And she's gotta be fresh from the fight
I need a hero
I'm holding out for a hero 'til the morning light
She's gotta be sure and it's gotta be soon
And he's gotta be larger than life_____*

I need a hero

This is me

V1 I am not a stranger to the dark
Hide away, they say
'Cause we don't want your broken parts
I've learned to be ashamed of all my scars
Run away, they say
No one'll love you as you are

But I won't let them break me down to dust
I know that there's a place for us
For we are glorious

*When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come
And I'm marching on to the beat I drum
I'm not scared to be seen
I make no apologies, this is me*

Oh-oh-oh-oh Oh-oh-oh-oh
Oh-oh-oh-oh Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

V2 Another round of bullets hits my skin
Well, fire away 'cause today, I won't let the shame sink in
We are bursting through the barricades and reaching for the sun
We are warriors
Yeah, that's what we've become (yeah, that's what we've become)

I won't let them break me down to dust
I know that there's a place for us
For we are glorious

*When the sharpest words wanna cut me down (hey hey hey hey)
I'm gonna send a flood, gonna drown them out (hey hey hey hey)
I am brave, I am bruised
I am who I'm meant to be, this is me
Look out 'cause here I come (hey hey hey hey)
And I'm marching on to the beat I drum (hey hey hey hey)
I'm not scared to be seen
I make no apologies, this is me*

Oh-oh-oh-oh (hey hey) Oh-oh-oh-oh (hey hey)
Oh-oh-oh-oh (hey hey) Oh-oh-oh-oh (hey hey)
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

Oh-oh-oh-oh (hey hey) Oh-oh-oh-oh (hey hey)
Oh-oh-oh-oh (hey hey) Oh-oh-oh-oh (hey hey)
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

*Quiet: When the sharpest words wanna cut me down
I'm gonna send a flood, gonna drown them out
This is brave, this is proof
This is who I'm meant to be, this is me*

*Loud! Look out 'cause here I come
And I'm marching on to the beat I drum (to the beat I drum)
I'm not scared to be seen
I make no apologies, this is me*

Whenever the words wanna cut me down / Oh-oh-oh-oh
I'll send a flood to drown them out / Oh-oh-oh-oh

Oh-oh-oh-oh Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

Joyful Joyful

(solo?) Joyful, Joyful, Lord, we adore Thee

God of glory Lord of love

Hearts unfold like flowers before Thee

Hail Thee as the sun above

Melt the clouds of sin and sadness

Drive the dark of doubt away

Giver of immortal gladness

Fill us with the light, Fill us with the light

Oh, fill us with the light of day...

All: Joyful, Joyful, Lord, we adore Thee

God of glory, Lord of love

Hearts unfold like flowers before Thee

Hail Thee as the sun above

Melt the clouds of sin, sin and sadness

Drive the dark of doubt away

Drive it away

Giver of immortal gladness

Fill us, Fill us with the light of day

Light of day!

Rap (solos)

Joyful, Joyful Lord we adore Thee

An' in my life I put none before Thee

Cuz since I was a youngster I came to know

That you was the only way to go

So I had to grow an' come to an understandin'

That I'm down with the King so now I'm demandin'

That you tell me who you down with, see

Cuz all I know is that I'm down with G-O-D

You down with G-O-D? (All: Yeah, you know me)

You down with G-O-D? (All: Yeah, you know me)

You down with G-O-D? (All: Yeah, you know me)

Who's down with G-O-D? (All: Everybody!)

All: Come and join the chorus

The mighty, mighty chorus

Which the morning stars begun

The Father of love is reigning over us

By the way - What have you done for Him lately?

Ooh, ooh, ooh yeah

What have you done for Him lately?

He watches over everything

So we sing

Joyful, Joyful Lord, we adore Thee

God of glory, Lord of love

Hearts unfold like flowers before Thee

Hail Thee as the sun above

Melt the clouds of sin, sin and sadness

Drive the dark of doubt away

Drive it away

Giver of immortal gladness

Part 1

Fill us

Fill us

Fill us

Fill us

Part 2

with the light of day, Lord

with the light of day, Lord

with the light of day, Lord

All: Fill us with the light of day (oh, yeah)

Light of day!
