Dear Families,

RE: Transition week 6th – 10th of July 2020

We recognise that transition is important in a school for every child. In a normal year, each class is told their new teacher in the last week of term and they have a short time (approximately an hour) visiting their new class room and hearing from their new teacher. This year the plan will look different. At this time, we cannot allow any children into the building who are not already currently attending, as previously explained. However, the government state that risk of transmission outside is significantly reduced. Therefore, this year we would like to invite all children back to meet their new teacher in groups of 15 outside for half an hour. We will strictly adhere to social distancing. Your child does not have to attend if you or they choose not to. Unfortunately, we are not able to offer any alternative times if you cannot make the arranged time. No child may use the toilets during this half hour so please ensure they go before they come to school. Please ensure your child is appropriately dressed for the weather as we will only cancel if it is pouring with rain.

Virtual inductions (live from 6.7.20 at 9a.m.)

On our website, under the tab for **PUPILS**, we have created a transition page for the Year 2 to 3 children. This will hold information about the school, a virtual tour of the school and messages from each Year 3 teacher.

For the rest of our children there will be a transition page for each year group. There, the new class teacher will record a message for the new class and show the classroom base.

New to year 4 in September (current year three): Children will meet their new teachers on Tuesday **July 7th**. The class will be put into groups of 15 alphabetically and you will be informed of the time for your child to come to school. They will meet in the year three area of playground. Please wait at gate three, the car park, socially distanced. Staff will open the gate a few minutes before the designated time. Please try not to arrive early. If you want to wait for your child, you may wait in the carpark area, but do not come through the gate onto the main playground.
