Dear Families

### **Re. Relationships and Health Education**

As explained in the school newsletter, Relationships and Health Education is a statutory subject in the national curriculum. It is similar to PSHE: personal, Social and Health Education, which was non statutory prior to this new subject.

RHE is taught at KS2 and RHSE is taught at KS3. The website address for the document, which explains fully the content of both the RHE and RHSE is:

[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/908013/Relationships Education Relationships and Sex Education RSE and Health Education.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/908013/Relationships_Education_Relationships_and_Sex_Education_RSE_and_Health_Education.pdf)

We also include our policy, which includes a quotation from the DfE document that recognises that in all of the areas in the statutory framework, parents are the main educators.

The main focus of RHE is relationships, and the teaching also includes physical and mental health, online safety and science.

We have created an overview of content of links with the science curriculum, which is also statutory. We have also created an information sheet which may answer any key questions that families may have. All of these documents will be on the website.

We are unable to put the scheme of work that we use, Jigsaw, on our website, for copyright reasons.

However, if anyone would like to be able to see any elements of the scheme, please let us know and we will arrange for this for you. Equally, if you have any other queries, please email the office, who will pass them to me. Please let me know of any queries by 6.11.20.

Yours sincerely,

Mrs Gruffydd
