Dear Year 3 Parents/Carers

For Maths next week, the year 3 children are going to be looking at statistics from Tuesday. This will be incredibly hard to complete on a google doc so we will be printing packs in school so that the children can complete the work on paper rather than online. If you would like a printed pack, they will be available to collect from the school office from 12:00pm on Monday. The class teachers will be explaining how they can upload a photograph of this work to their google classroom so that we can look at the completed work. If you are unable to collect a pack, a copy of the worksheet will be uploaded to the google stream daily and they can complete it on a piece of paper.

Many thanks for your continued support.

The year 3 team.
