**Exemplary education for all, through God's amazing grace
Learning, Integrity, Dignity, Love, Confidence.**

Learning together, as we journey with God in **Love**, we act with **Integrity**, treat others with **Dignity** and grow in **Confidence**.

Dear Parents/carers,

10th March 2021

Measles, chicken pox and shingles

Please may we ask for your co-operation in an important matter.

One of our pupil's siblings is receiving medical treatment for cancer which puts them at risk if they are exposed to **measles, chicken pox or shingles**. **Three of our other pupils are also at risk from these illnesses because they have low immune systems.**

The best way to protect these pupils from measles, is for all children at school to be immunised against measles. Please would you discuss measles immunisation with your GP if your child has not already received it. If your child is suspected of having **measles**, you should let us know **immediately**.

Our pupils are also at risk from chicken pox and would need to start a medicine to hopefully prevent contracting the disease. If you suspect your child may have chicken **pox** you should let us know **immediately**.

It is also important that you let us know if there is **shingles** in your household.

Your child is not under any risk whatsoever from this situation, however the health and well-being of our pupils who are at risk, does depend on the co-operation of all other parents, and we hope you will help us.

With many thanks.

Yours sincerely,

A handwritten signature in black ink that reads 'S Gruffydd'.
