Dear Parents and Carers of Holly class,

18th May 2021

Re. Virtual Meetings between parents and teachers about individual children

We are happy to announce Mr Henshall's re arranged parent video appointment day will be on Monday 24th May 2021.

Parents will sign up online to a video call appointment. All appointments will be for 10 minutes. N.B. The Parents Evening Booking System will not allow slots to overlap. Your session will automatically be terminated after 10 minutes. If parents are late to join an appointment, the system will still end the session at the designated time. Each session will have a timer running on screen so both parties know when the call will end. If there are concerns beyond the time slot, please agree to make an additional time to communicate. Please be prepared with any main points that you wish to share, or queries, bearing in mind the time.

Step 4: Choose Teacher – Your children's teachers will appear. Ensure the teacher you wish to see is selected in green. If you do not wish to see a teacher, click on their name to de-select them. Please check with your child which teachers he/she has if you are unsure.

In the autumn there were issues with parents wishing to join the appointment from different venues. We have sought to overcome this and have been given instruction to support this. You are now able to invite an additional parent/carer to join your appointment. Once you have made your booking click on the Invite Parent/Guardian link at the top of the list of your booking. You will be presented with a box asking for details of the Parent/Guardian to be given access. You must enter a Name, and an Email address, as well as tick the box to consent

to that person being given access to the information used to make the appointments. Choose the student(s) in respect of whose appointments the access to this person will be granted. Click the *Send Invite* button for an email to be sent giving them a link and details on how to join the call.

To attend your video appointment

On the day of the video appointment, login at the usual web address or click the link at the bottom of the email confirmation you will have received.

Once logged in you will see a notice that you have an upcoming video appointment and under this the details of the event, along with a *Join Video Appointment* button. This will become available 60 minutes before your first appointment.

Click the *Start Appointment* button.

To make the system as fair as possible, bookings will open on Tuesday 18th May from 6pm.

This letter is going on the website and parents will each have a text and email today to alert them to read the letter (copy attached) or you may read it online (so if your child is ill today you can still access the letter). In this way, everyone should have the same information.

Final bookings should be made by 12pm on Friday 21st May 2021.

An easy to read guide on how to attend appointments over video call will be sent via email with this letter. It's also available on the school website and on request from the school office.

Many thanks for your support.

Yours sincerely,

Mrs S Gruffydd
