Dear Parents Carers,

6<sup>th</sup> September 2021

We hope that the children have settled in to Year 3 and have enjoyed getting to know their new teachers and new routines. We know that we have given lots of information to the children and want to make sure that this information is clear to parents/carers.

## Homework Diaries

Each child was given their own homework diary. The homework diary can be used to communicate with teachers. If a note is written in the diary, please ask your child to hand it to the teacher directly. Diaries will be collected in every day to help encourage a routine and for the teacher to be able to communicate with parents/ carers if needed. Children are expected to read 5 times per week for at least 10 minutes and this should be recorded in their diary. This can be recorded by parents or children can be encouraged to write their own comment. Children will be sent home with a reading book but other books can also be recorded. If you have any questions about your child's reading book, then please talk to their class teacher or write a note in the diary for the teacher. Homework diaries will be looked at weekly to check that children are reading regularly. This will be signed by a member of the staff team.
