

We are selling.....

# Christmas Trees!

Buy your Christmas tree from us, save money and support the school.

We will be taking orders for Nordman Fir trees, an excellent grade real tree. Because we buy them from a wholesaler the cost is lower than elsewhere and of course you will be supporting the school, win win.

## How it works:

- Choose your tree size from the list.
- Complete and hand in your order form and the correct payment in cash by Monday 21<sup>st</sup> November in a sealed envelope. **Please provide your mobile number, the number of trees you are ordering and their sizes in your form when you hand in your payment.**
- You will hear back from us with confirmation and collection details.
- Come and collect your tree after 2 pm on Saturday 3<sup>rd</sup> December from the school. We will send out details on how/when collection will happen nearer the time.
- Sing carols around your beautiful tree!

## Introducing the trees:

Nordmann Fir	Black Tag	Pink Tag	Yellow Tag	Blue Tag	White Tag
	Super Grade 100/125cm 3-4 ft	Super Grade 125/150cm 4-5 ft	Premium Grade 150/175cm 5-6 ft	Premium Grade 175/200cm 6-7 ft	Premium Grade 200-250cm 7-8 ft

## Some details which may be dull but please do read, they are important:

- We really do need all the information we ask for – size, number, email and your mobile number. We won't use the details for anything other than the tree sales and collection.
- Sealed envelope to be handed in to the office please.
- Real trees need water so you will need a stand with a water chamber.
- The trees will be netted. The nets are **NOT** to be taken off the trees at the school. Sorry but the trees are colour coded to their size groups and you will be given one of the trees of the group you have ordered. They are all good quality; it will be fine!
- Collection **must** be on the stated day. Trees are delivered that morning and the school cannot store trees for anyone who does not collect them. We will not refund trees not collected.
- Orders must be in and paid for by 21<sup>st</sup> Nov. No changes can be made to orders after this.
- We must have at least 20 orders. If we cannot achieve this, we will have to cancel and refund purchases.
