## **RIGHTS OF ACCESS, CORRECTION, ERASURE, AND RESTRICTION**

### **Your duty to inform us of changes**

It is important that the personal information we hold about you is accurate and current. Please keep us informed if your personal information changes during your appointment as a school governor.

### **Your rights in connection with personal information**

Under certain circumstances, by law you have the right to:

- **Request access** to your personal information (data subject access request). This enables you to receive a copy of the personal information we hold about you and to check that we are lawfully processing it.
- **Request correction** of the personal information that we hold about you. This enables you to have any incomplete or inaccurate information we hold about you corrected.
- **Request erasure** of your personal information. This enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below).
- **Object to processing** of your personal information where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground. You also have the right to object where we are processing your personal information for direct marketing purposes.

If you want to review, verify, correct or request erasure of your personal information, object to the processing of your personal data, or request that we transfer a copy of your personal information to another party, please contact the DPO in writing.

The legal timescales for the school to respond to a Subject Access Request is one calendar month.

As the school has limited staff resources outside of term time, we encourage employees to submit Subject Access Requests during term time and to avoid sending a request during periods when the School is closed or is about to close for the holidays where possible. This will assist us in responding to your request as promptly as possible.

For further information about how we handle Subject Access Requests, please see our UK GDPR Policy.

### **No fee usually required**

You will not have to pay a fee to access your personal information (or to exercise any of the other rights). However, we may charge a reasonable fee if your request for access is manifestly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

### **What we may need from you**

We may need to request specific information from you to help us confirm your identity and ensure your right to access the information (or to exercise any of your other rights). This is another appropriate security measure to ensure that personal information is not disclosed to any person who has no right to receive it.

### **RIGHT TO WITHDRAW CONSENT**

In the limited circumstances where you may have provided your consent to the collection, processing and transfer of your personal information for a specific purpose, you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please contact the DPO. Once we have received notification that you have withdrawn your consent, we will no longer process your information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.
