Dear Parents,

Re: Multiplication Times Table Check

To prepare the children in Year 4 for the upcoming Multiplication Times Table Check, which they will be completing in the summer term, we are making changes to homework to ensure the children know their times tables and can quickly retrieve them. Homework will be set in the form of 144 times tables questions (which children have practised in class) with the expectation they also access the MTC questions available through Google Classroom.

From the week beginning 2nd June, the children will be answering this short times table test on a Chromebook in school. We will be taking groups of children to complete this assessment during this week.

To help prepare your children, a similarly formatted website is available at <https://dev.themathsfactor.com/times-tables-check/#/levels> and we would recommend the children have regular daily practice time at school and at home where possible. The link to this is available on Google Classroom.

If you would like to know more information on the Multiplication Times Table Check, please check the link here: <https://www.gov.uk/government/collections/multiplication-tables-check>

Yours sincerely,

Year 4 Teachers

Miss Foster, Mr East & Miss Denman
