5th September 2025

Dear Parents and Carers

Author Club

Author club will be running this term on a Monday for 6 weeks from 15th September to 20th October aimed at children in year 5.

We have author, Mr David Flin, volunteering in school to support reading in year 3. He has many published books that he has shared with classes across the school. In previous terms, Mr Flin has worked with groups of children in 'Author club' to support them to create their own story. Mr Flin is offering to work with children who enjoy reading, storytelling and working as a team.

This is a free club and will run from 3.10pm - 4.00pm.

Please can you return the slip below to confirm whether your child would like a place in Author Club. Places are limited to 8 children per group so please return the slips promptly. Mr Flin will run the club again across the year if required, so all children who want to attend will be added to a waiting list.

Sincerely,

Mrs Robins

Please fill in and return this slip to the school office
