Important Notes:

1. Please make a note of the Club Dates. You will only be contacted in advance of the first session if your child **does not** have a place.
2. The number of places available per club each term is limited for quality control reasons. Therefore, we must apologise in advance for those we have to turn away after the club is full.
3. Science club fees are non-refundable (except in circumstances where your child either changes school or has prolonged illness/injury which prevents them from attending school). Please refer to our website for a full list of T&C.
4. Science clubs are operated by Mother Nature Science, UK Company Reg. No. 602811; VAT No. 941780413; Tel: 02088638832; Web: www.mnature.co.uk

For all Enquiries - Contact us at info@mnature.co.uk

Science System 5! - A New Safe, Fun, Hands-On and Enriching Science Topic Every Week, from:

Let's Go Fishing! - Discover magnetism with your own magnetic fishing rod.

Loopy Lenses! - Enter a micro-world and design a bug magnifier!

Safe Landing! - Air resistance from the sky! Create home-made parachutes.

Powerful Water! - How fast can you spin it? Make a powerful water wheel.

Seesaw Game! - Balance a seesaw and investigate mechanical leverage.

Sunscreen Science! - Investigate UV light, a light that you can't see, and make a sun print.

Kite Design! - Overcome the forces of gravity and build a flying stunt kite.

Star Gazing! - Build a mini telescope using convex and concave lenses.

Unidentified Spinning Object! - Use magnetic fields to create 'Unidentified Spinning Objects!'

Wheels with Teeth! - Take on the 'gear challenge' and take home a gear-tastic set.

Hello - please keep the top half of this letter for future reference, especially for the club dates!

SCIENCE CLUB!

Have FUN with Enriching Science this Term!

With the environmental challenges facing our world today who wouldn't want their child to find science fun and engaging? That's why Mother Nature Science Club helps children achieve this by exploring a wide variety of scientific topics which are as entertaining as they are educational. Your children will watch spectacular demonstrations and participate in experiments and discussions; taking home cool science related items they have made themselves. At the start of each term we send you a 'Parent System Sheet' so you can see what your child is learning and continue to explore the science at home together! This is why our simple motto will always be - *"Let's Have Fun With Science!"*

Key Points:

- ✓ Fun, hands-on and enquiry based
- ✓ Meets National Curriculum science standards and aids STEM learning
- ✓ Fully trained & full DBS checked instructors
- ✓ Professional lesson plans & equipment
- ✓ Complements the science classes taught in school & prepares your children for a solid foundation in science
